

SOUTH CAROLINA STATEWIDE COMMERCIAL MULTIPLE LISTING SERVICE RULES & REGULATIONS

Updated June 2023

INTRODUCTION

The South Carolina Statewide Multiple Listing Service provides services to participants and subscribers.

LISTING PROCEDURES

SECTION 1. LISTING PROCEDURES

The service area and the mandatory listing area of the multiple listing service is the state of South Carolina.

Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the service area of the MLS, and are taken by participants, on any Exclusive Right to Sell or Exclusive Agency Listing form or Exclusive Right to Lease Listing form approved as per Section 1 may be filed with the MLS within 5 working days of the effective date of the listing.

Industrial
Office
Business opportunity including some interest in real property
Retail
Land
Special Purpose
Multifamily (5 +)
Agricultural
Hotel and Motel
Health Care
Sport and Entertainment

Additional categories of commercial, industrial, investment property may be added by the MLS.

Listings shall be signed by the MLS Participant or an authorized representative as having been certified for accuracy and completeness.

The Multiple Listing Service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although, a property data form may be required as approved by the multiple listing service. However, the Multiple Listing Service, through its legal counsel:

- A. may reserve the right to refuse to accept a listing form which fails to adequately protect the interest of the public and the Participants.
- B. assure that no listing form filed with the MLS establishes, directly or indirectly, any contractual relationship between the MLS and the client (buyer or seller).

Where a doubt exists as to the propriety of a provision as it relates to the above two areas, the listing will be

referred to MLS Legal Counsel for review. Cost associated with this review by Legal Counsel will be borne by the Participant submitting the listing.

The Multiple Listing Service shall accept Exclusive Right to Sell or lease listing contracts and Exclusive Agency Listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer cooperation and compensation to the other Participants of the Multiple Listing Service acting as subagents, buyer agents, or both.

The listing agreement must include the seller's authorization to submit the listing to the Multiple Listing Service.
exclusive right-to-sell • open
exclusive right-to-lease
exclusive agency • net

The service may not accept net listings because they are deemed unethical and, in most states, illegal. Open listings are not accepted, except where required by law, because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation.

The exclusive right-to-sell listing is the conventional form of listing submitted to the multiple listing service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers.

The exclusive agency listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right-to-sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or symbol from exclusive right-to-sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right-to-sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right-to-sell listings with prospect reservations.

Note 2: A multiple listing service does not regulate the types of listings its members may take. This does not mean that a multiple listing service must accept every type of listing. The multiple listing service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But, if it chooses to limit the kind of listings it will accept, it shall leave its members free to accept such listings to be handled outside the multiple listing service.

SECTION 1.2. LISTINGS SUBJECT TO RULES AND REGULATIONS OF THE SERVICE

Listings may be withdrawn from the MLS by the listing broker before the expiration date of the Listing Agreement provided notice is filed with the service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his exclusive relationship with the listing broker has been terminated, the MLS may remove the listing at the request of the seller.

SECTION 1.6. CONTINGENCIES APPLICABLE TO LISTINGS

Any contingency or conditions of any term in a listing shall be specified and published to the Participants.

SECTION 1.10. EXPIRATION, EXTENSION, AND RENEWAL OF LISTING

Listings filed with the multiple listing service will automatically be removed from the compilation of current listings on the expiration date specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed. In that case, the listing may continue with the same MLS number.

If notice of renewal or extension is received after the listing has been removed from the compilation of current listings (31 days post expiration), the extension or renewal will be published in the same manner as a new listing.

Listings of property located outside the service area of the MLS will not be accepted. In the event that the listing of a Participant has as its listing agent, or salesperson, a licensee who is subject to a fee waiver under Section 6.2, then the Participant shall be identified on the listing as the listing agent/salesperson in the service.

When a Participant of the Service is suspended from the MLS for failing to abide by a membership duty (i.e., a violation of the Code of Ethics, Association Bylaws, MLS Bylaws, MLS Rules and Regulations, or other membership obligations except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by a suspended Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn, or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been suspended from the Association or MLS (or both) for failure to pay appropriate dues, fees or charges, an Association MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended participant's listings from the MLS, the suspended Participant should be advised in writing of the intended removal so that the suspended Participant may advise his clients.

SECTION 1.14. LISTINGS OF EXPELLED OR TERMINATED PARTICIPANTS

When a Participant of the Service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Association Bylaws, MLS Bylaws, MLS Rules and Regulations, or other membership obligations except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS shall, at the expelled or terminated Participant's option, be retained in the Service until sold, withdrawn, or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a Participant has been expelled from the Association (except where MLS participation without Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges, an Association MLS is not obligated to provide MLS services, including continued inclusion of the expelled Participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled Participant's listings from the MLS, the expelled Participant should be advised in writing of the intended removal so that the expelled Participant may advise clients.

SECTION 1.15. LISTINGS OF PARTICIPANTS WHO RESIGN FROM THE ASSOCIATION OR MLS

(Amended 5/21)

SELLING PROCEDURES

SECTION 2. SHOWINGS AND NEGOTIATIONS

Appointments for showings and negotiations with the seller for the purchase of listed property filed with the multiple listing service shall be conducted through the listing broker, except under the following circumstances:

- A. The listing broker gives cooperating broker specific authority to show and/or negotiate directly, or
- B. After reasonable effort, cooperating broker cannot contact the listing broker or his representative.

However, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers.

SECTION 2.1. PRESENTATION OF OFFERS

The listing broker or his authorized representative must present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so.

SECTION 2.2. SUBMISSION OF WRITTEN OFFERS AND COUNTER OFFERS

The listing broker or his authorized representative shall submit to the seller or lessor all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller(s) obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

SECTION 2.3. RIGHT OF COOPERATING BROKER IN PRESENTATION OF OFFER

The cooperating broker (subagent or buyer agent) or his representative shall have the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or leaser and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations.

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented

SECTION 2.4. RIGHT OF LISTING BROKER IN PRESENTATION OF COUNTER-OFFER

The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

SECTION 2.5. REPORTING STATUS CHANGES TO THE SERVICE

Status changes including final closing of sales and sales prices shall be reported to the Multiple Listing Service by the listing broker within 48 hours after they have occurred. If negotiations were carried on under Section 2(a) (1 or

2) hereof the cooperating broker shall report accepted offers to the listing broker within 24 hours after occurrence and the listing broker shall report them to the MLS within 48 hours after receiving notice from the cooperating broker.

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants.

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS. In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.
3. The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices.

SECTION 2.6. REPORTING RESOLUTION OF CONTINGENCIES

The listing broker shall report the fulfillment, renewal or cancellation of any contingency on file with MLS within two (2) working days.

SECTION 2.7. ADVERTISING OF LISTINGS FILED WITH THE SERVICE

SECTION 2.8. REPORTING CANCELLATION OF PENDING SALE

The listing broker shall report the cancellation of any pending sale to the MLS within 2 working days, and the listing shall be reinstated immediately.

SECTION 2.9. DISCLOSING THE EXISTENCE OF OFFERS

Listing brokers, in response to inquiries from buyers or cooperating brokers shall, with the seller's approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also

disclose, if asked whether offers were obtained by the listing licensee, by another licensee in the listing firm or by a cooperating broker.

SECTION 2.10. AVAILABILITY OF LISTED PROPERTY

Listing brokers shall not misrepresent the availability of access to show or inspect listed property. (11/05)

PARTICIPANTS NOT ADHERING TO THESE TIME FRAMES ARE SUBJECT TO BE FINED.

SECTION 3. REFUSAL TO SELL

If the seller or lessor of any listed property filed with the Multiple Listing Service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the Service and all Participants.

PROHIBITIONS

SECTION 4 INFORMATION FOR PARTICIPANTS ONLY

Any listing filed with the service shall not be made available to any broker or firm not a member of the MLS without the prior consent of the listing broker. A participant with licensees who are subject to a fee waiver under Section 6.2 may not make available to those licensees listings of other brokers in the MLS. The preceding sentence does not prohibit a licensee from accessing listing records from another MLS or from any other source lawfully available to the licensee

SECTION 4.1. "FOR SALE" SIGNS

Only the "For Sale" sign(s) of the listing broker shall be placed on a property.

SECTION 4.2. "SOLD" SIGNS

Prior to closing, only the sold sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign

SECTION 4.3. SOLICITATION OF LISTING FILED WITH THE SERVICE

Participants shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretation. The prohibition in the previous sentence applies to licensees affiliated with a participant who are subject to a fee waiver under Section 6.2.

Note: This Section is to be construed in a manner consistent with Article 16 of the Code of Ethics and Particularly Standard of Practice 16-4. This Section is intended to encourage sellers to permit their properties to be filed with the Service by protecting them from being solicited, prior to expiration of their listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This Section is also intended to encourage brokers to participate in the Service by assuring them that other Participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this Section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This Section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

SECTION 4.4. USE OF THE TERMS MLS AND MULTIPLES LISTING SERVICE

No MLS participant, subscriber or licensee affiliated with any participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. The prohibition in the previous sentence applies to licensees affiliated with a participant who are subject to a fee waiver under Section 6.2.

SECTION 4.5. USE OF FORMS PROVIDED BY MLS

All printed material furnished by the service is the property of the Service for the exclusive benefit of the Participants.

SECTION 4.6 SERVICES ADVERTISED AS "FREE"

MLS participants and subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services.

DIVISION OF COMMISSIONS

SECTION 5. COOPERATIVE COMPENSATION SPECIFIED ON EACH LISTING

The listing broker shall specify, on each listing filed with the MLS, the compensation offered to other MLS Participants for their services in the sale or lease of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

In filing a property with the MLS, a Participant of the Service is making blanket unilateral offers of compensation to the other MLS Participants, and shall therefore specify on each listing filed with the Service, the compensation

being offered to the other MLS Participants. Specifying the compensation on each listing is necessary because the cooperating broker has the right to know what his compensation shall be prior to commencing his endeavor find a purchase or lessee.

The compensation specified on listings filed with the Multiple Listing Service shall appear in one of two forms. The essential and appropriate requirement by an Association Multiple Listing Service is that the information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker, in writing, in advance, of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. By showing a percentage of the gross selling price.
2. By showing a definite dollar amount.

The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law) which may be the same or different.

This shall not preclude the listing broker from offering any MLS Participant compensation other than the compensation indicated on any listings published by the MLS, provided the listing broker informs the other broker in writing in advance of submitting an offer to purchase and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount.

Note 1 The MLS has no rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the MLS will not publish the total negotiated commission on a listing which has been submitted to the MLS by a Participant. The MLS will not disclose in any way the total commission negotiated between the seller and the listing broker.

Note 2 The listing broker may, from time to time, adjust the compensation being offered to other MLS Participants for their services with respect to any listing by advance published notice to the Service so that all Participants will be advised.

Note 3 The MLS shall make no rule on the division of commissions between Participants and non-participants. This should remain solely the responsibility of the listing broker.

Note 4 Nothing in these MLS rules precludes a listing participant and a cooperating participant as a matter of mutual agreement from modifying the cooperative compensation to be paid in the event of a successful transaction.

Note 5: Nothing in these MLS rules precludes a listing participant and a cooperating participant as a matter of mutual agreement from modifying the cooperative compensation to be paid in the event of a successful transaction.

Note 6: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. In any

instance where a participant discloses a potential short sale, they may, as a matter of local discretion, also be permitted to communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential "remarks" available only to participants and subscribers.

SECTION 5.0.1. DISCLOSING POTENTIAL SHORT SALES

Participants must disclose potential short sales (defined as a transaction where title transfers, where the sales price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) to other Participants and Subscribers when reasonably known to listing participants. When disclosed, Participants may, at their discretion, advise other Participants whether and how any reduction in the gross commission established in the listing contract, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating Participants.

SECTION 5.1. PARTICIPANT AS PRINCIPAL

If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant has any ownership interest in a property, the listing of which is to be disseminated through the MLS, that person shall disclose that interest when the listing is filed with the MLS. This information shall be disseminated to all MLS Participants.

SECTION 5.2. PARTICIPANT AS PURCHASER

If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

SECTION 5.3. DUAL OR VARIABLE RATE COMMISSION ARRANGEMENTS

The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance, and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code, or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease.

SECTION 5.4 COMPENSATION OBLIGATIONS AS APPLIED TO FEE-WAIVED SELLING SALESPERSON

The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) shall be excused if it is determined through arbitration that the selling salesperson affiliated with the cooperating broker was subject to fee waiver under Section 6.2 at the time of the offer to purchase through the closing of the sale or lease.

SECTION 5.5 DISPLAY OF LISTING BROKER'S OFFER OF COMPENSATION

Participants and subscribers who share the listing broker's offer of compensation for an active listing must display the following disclaimer or something similar.

The listing broker's offer of compensation is made only to participants of the MLS where the listing is filed.

Administrative fees will be set forth by the MLS Board of Directors and are subject to change at any time. Those individuals holding a valid South Carolina Real Estate, Appraiser, or Property Management License ,who are

licensed with a member firm are ineligible for Administrative Membership pricing. Should an individual with an active, valid South Carolina Real Estate, Appraiser, or Property Management License who is licensed with a member firm need Administrative Membership, a unique administrative login will be provided at no charge and that member will be billed quarterly MLS fees in accordance with Section 6:B of the MLS Rules and Regulations.

Administrative Members will have a signed agreement (Application for MLS Administrative Membership) to abide by all rules and regulations of the South Carolina Statewide Multiple Listing Service Inc. Administrative fees will be billed in the same manner and subject to the same requirements as Section 6:A-C of these Rules and Regulations. The MLS Participant shall notify the MLS as soon as practical but not to exceed four (4) business days of the termination of an Administrative Member's employment either with the brokerage or the employing REALTOR licensed with the MLS Participant. The MLS will terminate the Administrative Member's access to the on-line system as soon as practical.

The MLS Participant who employs the Administrative Member, or holds the license of the subscriber who employs the Administrative Member, is solely responsible for the actions of the Administrative Member with respect to the MLS, and said MLS Participant agrees to hold the South Carolina Statewide Commercial Multiple Listing Service harmless from any liability arising from such actions. An alleged violation of the MLS Rules will be processed consistent with the procedures in Sections 9 and 9.1."

SECTION 6.2 SUBSCRIBER FEE WAIVERS

MLS provides participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser in a participating office who can demonstrate subscription to a different MLS where the principal broker for the office also participates. MLS requires waiver recipients and their participants to sign a certification for nonuse of MLS services, which includes penalties and termination of the waiver if violated.

Normally, under Section 6.1, any per-subscriber fee is calculated based on each salesperson and licensed or certified appraiser affiliated with a participating office. The effect of fee waiver is that the number of subscribers in a participating office for purposes of any recurring per-subscriber fees paid by a participant under Section 6.1 shall be reduced by the number of licensees and certified appraisers who are subject to waiver under this Section 6.2. For purposes of this Section 6.2 and all rule provisions referring to it, "licensee" refers to non-principal salespersons and licensed and certified appraisers. Section 6.2.1 sets out the conditions for fee waiver, Section 6.2.2 the process for obtaining and maintaining waivers, Section 6.2.3 circumstances under which waiver is revoked and consequences of revocation, and Section 6.2.4 the consequences of repeated violations of these policies.

SECTION 6.2.1 CONDITIONS FOR WAIVER

Fee waivers are available for non-principal broker and non-principal appraiser licensees in offices participating in MLS, provided the participant and any fee-waived licensee(s) meet all the following requirements:

- A. Any fee-waived licensee must be (i) a subscriber in another multiple listing service that has adopted a policy, in this MLS's reasonable judgment, substantially similar to this Section 6.2 and that will certify this information to this MLS on the frequency established by this MLS; or (ii) engaged exclusively in Property Management.
- B. The Participant continues to comply with this MLS's mandatory listing submission rules.
- C. During any period for which a licensee's fees are waived, the licensee shall refrain from using any of the following services of this MLS:
 1. Using this MLS's systems, databases, lockboxes, etc. This does not include accessing listing information of the licensee's own broker or of other brokers through the participant's IDX site or

elsewhere. It does include accessing such information on the participant's VOW (which is for consumers' personal use).

2. Being identified as a listing agent on an active or pending property listing in this MLS. Note that under Sections 1 and 1.12, any listing in MLS's mandatory-listing area must be submitted to MLS, unless the participant files a certification of the seller's instruction to withhold the listing from MLS under Section 1.3.
3. Working as the selling agent on a property listed in this MLS by a firm other than participant's, unless the listing appears in an MLS to which the selling agent is a subscriber. This does not apply to the fee-waived participant's own listings, because the participant is free to share them within its firm (and anywhere else) without MLS consent or involvement.
4. Use of any data feed from this MLS (except one that includes listings only of the licensee's broker).
5. Using this MLS's data on an IDX or VOW website identified as the fee-waived subscriber's site or page.
6. Using MLS's data in an automated valuation product or tool in any product or service identified as coming from the fee-waived subscriber.

SECTION 6.2.2 PROCESS FOR OBTAINING AND MAINTAINING WAIVERS

The participant must at all times provide to MLS up-to-date information on all licensees, whether they are subscribers or fee-waived licensees, in each participating office. The participant must identify which licensees are subject to fee waivers and for each waived licensee the other MLS in which he/she is a subscriber on the waiver certification form.

In order to obtain a waiver for any licensee in the participant's office, the participant must execute the MLS's form for listing fee-waived licensees and the certification on it. The participant must procure from another MLS, or arrange for the other MLS to provide to this MLS, a certification that the MLS has adopted a policy substantially similar to this Section 6.2, a copy of that policy, and a certification that each fee-waived subscriber in this MLS is a subscriber in that MLS. (The other MLS may have a onetime or periodic charge for providing these certifications.)

In order to maintain a waiver for any licensee, the participant and licensee must continue to satisfy the requirements of Section 6.2.1 and must recertify (and obtain from the other MLS re-certifications) of the matters addressed in this Section with the frequency set by this MLS.

SECTION 6.2.3 REVOCATION OF WAIVER

The fee waiver for a licensee may be revoked under various circumstances, and the consequences of the revocation vary depending on its circumstances, as provided in this section.

- A. The participant or fee-waived licensee may revoke the waiver at any time upon notice to this MLS. In that case, the fee-waived licensee immediately becomes a subscriber and any fees due to MLS under its normal fee schedule for the current period for the subscriber (including pro-rata fees for any partial service period and any application fees if none have previously been paid for the subscriber) shall immediately become due and payable. In the event a fee-waived licensee appears as a listing agent on an active or pending listing in this MLS, the participant and fee-waived licensee shall be deemed to have revoked the waiver under this subsection (a).
- B. If this MLS determines that the fee-waived licensee has used any of the services of this MLS listed in Section 6.2.1(c) during a fee-waiver period, MLS may terminate the fee waiver upon notice to the participant and subscriber. In this case, the consequences of subsection (a) apply, and in addition to them, MLS may at its option, (i) assess the fine described in Section 9.3(P), or (ii) recover from participant or subscriber all the fees MLS would have collected had the fee-waived licensee been a subscriber during the entire period of

the waiver. After six months, the participant and subscriber can re-certify the subscriber to be a fee-waived licensee.

SECTION 6.2.4 CONSEQUENCES OF REPEATED VIOLATIONS

A pattern of repeated violations of Section 6.2.1(c) exists when a participant allows any combination of three or more violations of Section 6.2.1(c), whether the participant is aware of the violations and whether committed by one fee-waived licensee or more; or when a subscriber commits three or more violations of Section 6.2.1(c). In the event that a participant or subscriber exhibits a pattern of repeated violations of Section 6.2.1(c), MLS may suspend all fee waivers for the participant or subscriber (or both) for a period of up to three years. If, after such a period of suspension, a participant or subscriber again exhibits a pattern of repeated violations, MLS may permanently terminate fee waivers for the participant or subscriber (or both). In the event a participant or subscriber subject to suspension or termination of waivers moves to a new office as a participant, that office shall be ineligible for waivers during the pendency of its participant's suspension or termination. In the event a participant or subscriber subject to suspension or termination of waivers moves to a new office as a non-principal licensee, that non-principal licensee shall be ineligible for waivers during the pendency of his or her suspension or termination.

COMPLIANCE WITH RULES AND REGULATIONS

SECTION 7 COMPLIANCE WITH RULES/ATHORITY TO IMPOSE DISCIPLINE

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. Each participant is subject to these rules with regard to licensees affiliated with the participant who are subject to fee waiver under Section 6.2. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- A. letter of warning
- B. letter of reprimand
- C. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- D. appropriate, reasonable fine not to exceed \$15,000
- E. Retroactive fees related to any licensee granted a fee waiver under Section 6.2 in the event the MLS determines that the licensee made any use of MLS services prohibited in Section 6.2 during the period of waiver
- F. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- G. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years.

Note: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the

probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Revised 05/14)

SECTION 7.1. NONPAYMENT OF FINANCIAL OBLIGATIONS

The following actions may be taken for non-payment of financial obligations. However, in no case shall action be taken to suspend or terminate a participant for nonpayment of disputed amounts until the accuracy of the amount owed has been confirmed. Adjustments to invoices will not be considered after 30 days of the due date.

- A. If the dues, fees, fines or other assessments owed to the MLS remain unpaid for one (1) month after due date of the invoice, all MLS services to the Participant shall be suspended until the account is paid in full. Original invoice constitutes due notice.
- B. If the dues, fees, fines or other assessments owed to the MLS remain unpaid for two (2) months after invoice from the MLS office, the Participant and all associates shall be terminated from the service.
- C. A former Participant, who has had participation terminated for nonpayment of dues, fees, fines or other assessments duly levied in accordance with the provisions of these Rules and Regulations, may apply for reinstatement in the manner prescribed for new applicants upon payment in full of all accounts due as of the day of termination.

SECTION 7.2. APPLICABILITY OF RULES TO USERS AND/OR SUBSCRIBERS

Non-principal brokers, sales licensees, appraisers and others authorized to have access to information published by the MLS are subject to these Rules and Regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the Rules and Regulations. Further, failure of any user or subscriber to abide by the Rules and/or any sanction imposed for violations thereof can subject the Participant to the same or other discipline. The participant is subject to these rules with regard to licensees affiliated with the participant who are subject to fee waiver under Section 6.2 This provision does not eliminate the Participant's ultimate responsibility and accountability for all users or subscribers affiliated with the Participant.

SECTION 7.3. ASSESSMENT OF MLS FEES, DUES, & CHARGES

All MLS fees, dues and charges, including, but not limited to initial participation fees, recurring participation fees, listing origination fees, subscription fees, etc., may be assessed to MLS Participants or to individual users as subscribers. This does not preclude an MLS Participant from being reimbursed by affiliated licensees for fees or charges incurred on their behalf pursuant to any in-house agreement that may exist if direct billing of subscribers is utilized; the ultimate responsibility for delinquent dues, fees, and charges is that of the Participant.

MEETINGS

SECTION 8. MEETINGS

The meetings of the Participants of the Service or the MLS Directors for transaction of business of the service shall be held in accordance with the appropriate provisions of the Bylaws of the Service.

By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which are at the sole discretion of the Board of Directors.

SECTION 9.1. VIOLATIONS OF RULES AND REGULATIONS

If the alleged offense is a violation of Rules and Regulations of the Service and does not involve a charge of alleged unethical conduct or a request for arbitration, it may be administratively considered and determined by the MLS Directors. If a violation is determined, the Directors may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the professional standards committee of the association in accordance with the bylaws and rules and regulations of the association of REALTORS® within twenty (20) days following receipt of the committee's decision.

Sanctions imposed may consist of warning, censure, fine, suspension, termination or any combination thereof.

If, rather than conducting an administrative review, the MLS has a procedure established to conduct hearings, any appeal of the decision of the hearing tribunal may be appealed to the board of directors of the MLS within twenty (20) days of the tribunal's decision. Alleged violations involving unethical conduct shall be referred to the professional standards committee of the association of REALTORS® for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the board of directors of the association of REALTORS®

SECTION 9.2. COMPLAINTS OF UNETHICAL CONDUCT

All other complaints of unethical conduct shall be referred by the Board of Directors to the Professional Standards Administrator of the association of REALTORS® for appropriate action in accordance with the professional standards procedures established in the association's bylaws.

SECTION 9.3 COMPLAINTS OF UNAUTHORIZED USE OF CONTENT

Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to MLS staff at Support@CHSMLS.com. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. MLS staff reserves the right to share your written notice with the participant who is accused of unauthorized use. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, MLS staff will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to MLS staff that the use is authorized. Any proof submitted will be considered by MLS staff, and in their discretion through its legal counsel, and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If MLS determines that the use of the content was unauthorized, MLS may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of MLS's determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

SECTION 9.4 MLS RULES VIOLATIONS

MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules.

As used throughout these rules, "display" includes "delivery" of such listings.

SECTION 16.1 AUTHORIZATION

Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants. *

*Even where participants have given blanket authority for other participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display or other electronic forms of display or distribution.

Participation in IDX is available to all MLS participants who consent to display of their listings by other participants.

SECTION 16.2.1

Participants must notify the MLS of their intention to display IDX information and give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies.

SECTION 16.2.2

MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines.

SECTION 16.2.7

Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of this IDX policy and these rules, "control" means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules.

SECTION 16.2.8

Any IDX display controlled by a participant or subscriber that

- A. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or

- B. displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller's listing at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled Participants. Except for the foregoing and subject Section 16.2.9, a Participant's IDX display may communicate the Participant's professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller.

SECTION 16.2.9

Participant shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for that property explaining why the data or information is false. However, the participant shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

SECTION 16.2.10

An MLS participant (or where permitted locally, an MLS subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, "co-mingling" means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display.

SECTION 16.2.11

Participants shall not modify or manipulate information relating to other participants listings. MLS participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.

SECTION 16.2.12

All listings displayed pursuant to IDX shall identify the listing firm, and the email or phone number provided by the listing Participant in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data. *
